

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
<b>Association of Bay Area Governments (ABAG)</b>		ABAG is the regional planning and coordination agency for the nine Bay Area Counties and cities within those counties. ABAG also reviews federal grant requests.
General Assembly	<b>2008-2013</b> Spitaleri	The General Assembly determines policy matters for the Association, including adoption of the annual general budget and summary work program, and reviews major policy actions and recommendations of the Executive Board.
<b>Bay Area Council Economic Institute (BACEI)</b>		The Bay Area Council Economic Institute (BACEI) is a public-private partnership established in 1988 by the Bay Area Council and the Association of Bay Area Governments (ABAG) to support the economic vitality and competitiveness of the region.
Board of Directors	<b>2009-2011</b> Hamilton	The Board of Directors provides a shared platform for leaders to act on key issues affecting the regional economy. It accomplishes this by producing focused analyses on key issues affecting the Bay Area and its future, and by mobilizing regional and state leaders to address those issues, based on working partnerships and a strong foundation of economic and policy analysis.
<b>Bay Area Water Supply and Conservation Agency (BAWSCA)</b>		The Bay Area Water Supply and Conservation Agency (BAWSCA) is an independent agency that was created in 2003 pursuant to AB 2058.
Board of Directors	<b>2011-2013</b> Griffith <b>2007-2010</b> Swegles	BAWSCA is governed by a 28-member Board of Directors comprised of respected community leaders representing the 26 cities and water districts that are member agencies of BAWSCA, and two private utilities that also have appointees to the board, Stanford University and California Water Service Company.
Board Policy Committee	<b>2009-2010</b> Swegles	This Committee was formed to carry the functions of advising the General Manager and Board on matters of policy. Its composition fully reflects that of the board large and small water agencies; cities; water districts and private utilities; the three counties; and agencies that are totally dependent on the regional system and those that are not.
<b>Caltrain Modernization Project Policy Advisory Group</b>		The Caltrain Modernization Program will electrify and upgrade the performance, operating efficiency, capacity, safety and reliability of Caltrain's commuter rail service. The Caltrain Modernization Program is scheduled to be operational by 2019.
	<b>2013</b> Davis (Alternate) <b>2012-2013</b> Griffith	
<b>Cities Association of Santa Clara County (CASCC)</b>		The CASCC [formerly the Intergovernmental Council and later the Santa Clara County Cities Association (SCCCA)] was established in 1990 through a joint powers agreement to develop an effective means of representing the interests of the diverse cities within Santa Clara County in their dealings with other agencies, organizations, and levels of government. It also functions as a source of education, information, and networking for elected officials. It is funded exclusively by its fifteen member cities, each of which appoints a city Councilmember to its Board of Directors. In its role as an advocate for its member cities, the group monitors legislative activities at both the state and federal level.
Legislative Action Committee (LAC)	<b>2012-2013</b> Griffith <b>2010-2011</b> Otto Lee	This Committee reviews legislation and makes recommendations to the Board of Directors. The committee also has organized countywide meetings with legislators and coordinated lobbying trips to Sacramento. In 2002, the SCCCA (now the CASCC) voted to change this task force from an informal group to a full committee of the organization.
Board of Directors	<b>2011-2013</b> Griffith <b>2009-2010</b> Hamilton <b>2010-2011</b> Spitaleri (Alternate) <b>2009</b> Howe (Alternate)	The Board of Directors governs the CASCC with one representative from each city.
Joint Policy Collaborative (JPC)	<b>2008-2013</b> No Representative	The JPC was established in 2004 to help develop a permanent regional body to address economic development strategies for local government in Santa Clara County. The JEDPC (JPC?) is advisory in nature, a forum wherein uniform approaches to economic development policy are discussed and forwarded to the full SCCCA (now CASCC) Board for further discussion and/or action by each representative City Council.
City Selection Committee	<b>2010-2011</b> Hamilton <b>2008-2009</b> Spitaleri <b>2008-2009</b> Howe (Alternate)	This Committee appoints representatives from Santa Clara County cities to boards, commissions, and agencies as required by law. The membership is made up of the Mayor or his/her designee from each city in the county. It is officially a committee of the Santa Clara County Cities Association and meets as needed to make appointments to agencies such as the ABAG Executive Board, the Metropolitan Transportation Commission, and the Air Quality Board.
Executive Board	<b>2012-2013</b> Griffith <b>2010-2011</b> Hamilton	
<b>California High Speed Rail Authority</b>		Established in 1996, the California High-Speed Rail Authority (Authority) is the state entity responsible for planning, constructing and operating an 800-mile-long high-speed train system serving California's major metropolitan areas.
High Speed Train Policy Working Group	<b>2011</b> Spitaleri <b>2011</b> Moylan (Alternate)	The PWG ensures information flows between the HSRA project team and elected officials. The PWG includes one elected official from each city and county on the proposed high speed train's San Francisco to San Jose alignment. The PWG functions in an advisory role to the HSRA project team. The PWG provides policy direction and supports collaboration amongst the cities in the Project Environmental Impact Report (EIR) process.

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
<b>Housing Trust of Santa Clara County</b>		In 1999, representatives of the Community Foundation Silicon Valley, Silicon Valley Manufacturing Group, the County Collaborative on Housing and Homelessness and the County of Santa Clara met to create the Housing Trust of Santa Clara County. The Trust was designed to serve as a rapid-response investment tool to aid the creation of new affordable housing developments and to help first-time homeowners buy affordable homes.
Board of Directors	<b>2011</b> Lee <b>2007-2010</b> Swegles	The Board of Directors speaks for the communities that the Trust serves. Representatives from all constituencies including government, employers and employer groups, real estate and development, housing advocacy, and the public, meet regularly to guide the Trust and ensure oversight for its programs.
<b>League of California Cities (LCC)</b>		The League of California Cities is an association of California city officials who work together to enhance their knowledge and skills, exchange information, and combine resources so that they may influence policy decisions that affect cities. Founded in 1898 on the principles of local control and interagency cooperation, the League has grown from a handful of public officials to include the voluntary membership of 476 California cities.
Public Safety Committee	<b>2013</b> Davis <b>2011</b> Spitaleri	This Committee reviews both federal and state legislation and issues and makes recommendations to the League Board of Directors related to law enforcement, to fire and life safety policies including emergency communications, and to emergency services including ambulance and disaster preparedness. The Committee uses existing League policy, annual conference resolutions and the knowledge and expertise of individual committee members in order to recommend policies in these and related areas.
Peninsula Division	<b>2009-2010</b> Swegles	The Peninsula Division is comprised of the 36 cities from San Francisco to Gilroy. Peninsula Division members work together to enhance the quality of life in our communities, our region and our state. Peninsula Division members serve on the League's Board of Directors and Policy Committees. The Division is guided by its by-laws, and the by-laws of the League.
Peninsula Division, City Liaison	<b>2012-4/2013</b> Meyering <b>2007-2011</b> Ron Swegles	The role of the City Liaison is to keep Council informed about, and engaged in, the Division's legislative activities, provide periodic League updates to Council, and attend Division and League events whenever possible, encouraging attendance by Council colleagues. It does not include voting authority.
Housing, Community and Economic Development Policy Committee	<b>2007-2009</b> Swegles	This Committee reviews issues including general plans and zoning, housing, rent control, Subdivision Map Act, residential care facilities, other land use regulations, development fees, including school fee adequacy, annexation and incorporation policy, development agreements, building standards, including seismic safety standards, economic development policy, including redevelopment and enterprise zones, military base closure and reuse, mobile home regulations, and sign regulations.
League Water Task Force	<b>2008-2010</b> Swegles	The League Water Task Force is to develop League policy on water issues. This can include water conservation, supply, conveyance and storage. Initially, this group will be asked to look at whether the League should be involved in these issues and if so, at what level. The goal is that recommendations from this task force will go to both the Environmental Quality (EQ) and Housing, Community & Economic Development (HCED) Policy Committees and then to the Board for final approval over the next year.
Employee Relations Policy Committee	<b>2008-2013</b> Spitaleri	This Committee reviews issues related to the field of labor relations and human resources management.
Revenue and Taxation Policy Committee	<b>2010-2011</b> Hamilton	This Committee reviews issues related to finance administration, taxation reform, revenue needs, and revenue sources at the federal, state and local levels. The practice of the Committee is to recommend to the League Board preliminary positions on legislation based on existing League positions, adopted annual conference resolutions and the collective knowledge and experience of Committee members.
<b>National League of Cities (NLC)</b>		The National League of Cities (NLC) represents 49 state municipal leagues and approximately 1,800 member cities, towns, and villages of all sizes in every state. Through the member state municipal leagues, NLC also represents 18,000 municipalities. NLC is the only national organization which encourages full participation by the entire city leadership team, not just one or two top officials.
Transportation Infrastructure and Services Policy and Advocacy Committee	<b>2009-2013</b> Moylan	This Committee is responsible for all policy on transportation issues, including planning, funding, safety and security of public transit, streets and highways, aviation, railroads and ports. Each year in March, the TIS Policy and Advocacy Committee will pick topics for policy development for that year.
Public Safety and Crime Prevention Policy and Advocacy Committee	<b>2013</b> Davis <b>2008-2011</b> Spitaleri	This Committee is responsible for policy in the areas of crime prevention, corrections, substance abuse, municipal fire policy, juvenile justice, disaster preparedness and relief, homeland security, domestic terrorism, court systems and gun control.
Public Safety and Crime Prevention Steering Committee	<b>2013</b> Jim Davis	The Committee meets four times a year to discuss advocacy strategies and craft specific NLC policy amendments and resolutions. The Committee discusses advocacy and crafts policy amendments and resolutions regarding crime prevention, corrections, substance abuse, municipal fire policy, juvenile justice, disaster preparedness and relief, homeland security, domestic terrorism, court systems and gun control.

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
Energy, Environment, and Natural Resources Policy and Advocacy Committee	2010 Griffith	This Committee is responsible for developing policy recommendations on issues such as air quality, water quality, energy policy, national wetlands policy, noise control, and solid and hazardous waste management.
Information Technology and Communications Policy and Advocacy Committee	2010 Griffith	This Committee reviews issues related to telecommunications and information systems and public access to these systems, including privacy issues, cable TV, phone services, spectrum issues, communications tower siting, universal service, broadcasting, and defense of city rights-of-way from degradation caused by installation of facilities.
Community and Economic Development Policy and Advocacy Committee	2010 Whittum	This Committee deals with housing, community and economic development, land use, recreation and parks, historic preservation, and international competitiveness.
Finance, Administration & Intergovernmental Relations Policy and Advocacy Committee	2011-2013 Whittum	This Committee is responsible for developing policy positions on issues involving national economic policy, general financial assistance programs, liability insurance, intergovernmental relations, Census, municipal bonds and capital finance, municipal management, antitrust issues, citizen participation and civil rights, labor relations, Native American sovereignty and municipal authority.
Large Cities Council	2013 Davis	The Council is comprised of almost 50 representatives from member cities with populations of 200,000 or more, or the largest city in a state. Members convene to network and share ideas and solutions to challenges affecting large cities.
<b>NOVA Job Training Consortium Workforce Board</b>		NOVA Job Training Consortium is a nonprofit, federally funded employment and training agency that provides customer-focused workforce development services. The NOVA Workforce Board addresses the workforce investment needs of Silicon Valley by directing and guiding NOVA – a workforce development agency sponsored by the City of Sunnyvale, and CONNECT, a collaborative of workforce development organizations.
Nomination Committee	2012-2013 Martin-Milius 2009-2011 Hamilton	This Committee is comprised of a councilmember, the director of the Chamber of Commerce, and the NOVA Job Training Consortium Workforce Board Ch.; it reviews applications and makes recommendations to the full Council.
<b>Peninsula Policy Partnership/Joint Venture Silicon Valley Network</b>		Joint Venture Silicon Valley Network/Peninsula Policy Partnership formed the Task Force for the purpose of looking for ways to raise the status of the El Camino Real to a world-class boulevard with special attention to the aesthetic, safety and inter-jurisdictional issues.
Grand Boulevard Task Force	2013 Davis (Alternate) 2010-2013 Moylan 2011-2012 Whittum (Alternate) 2010-2011 Griffith (Alternate) 2009 Hamilton 2009 Moylan (Alternate)	The Peninsula Policy Partnership and Joint Venture have established the Grand Boulevard Task Force to raise El Camino Real from its current status to that of a world-class boulevard. The Grand Boulevard Task Force is being created to provide policy oversight in an effort to develop a unified vision for El Camino Real.
<b>San Francisco Bay Area Regional Water System Financing Authority (RFA)</b>		The San Francisco Regional Water System Financing Authority (RFA) was created in 2002 by the State legislature to assist in funding the San Francisco regional water improvements.
Board of Directors	2011-2013 Griffith 2007-2010 Swegles	The San Francisco Regional Water System Financing Authority (RFA) was created in 2002 by the State legislature to assist in funding the San Francisco regional water improvements.
<b>Santa Clara County Board of Supervisors</b>		
Comprehensive County Expressway Planning Study Policy Advisory Board (PAB)	2013 Davis 2009-2012 Moylan 2009-2010 Hamilton (Alternate)	The PAB provides a forum for policy input from elected officials for updating the Expressway Study's <i>Implementation Plan</i> adopted in August 2003. The Implementation Plan, as adopted by the Board of Supervisors, committed the County to updating the plan regularly in conjunction with updates to the Santa Clara Valley Transportation Authority's (VTA) Valley Transportation Plans (VTP).
<b>Santa Clara County Emergency Operational Area Committee (OAC) (Formerly the Santa Clara County Office of Emergency Services)</b>		The Committee is charged with the purpose of enhancing planning and preparedness for large-scale emergencies; creating effective partnerships in emergency planning, preparedness, training and exercise within the Operational Area; consolidating activities of cities and special districts to participate more efficiently in planning for future emergencies and disasters; providing access to public-private partners to participate in emergency planning and preparedness; and developing broad-based emergency preparedness and planning funding priorities and recommendations. The OAC replaced the Santa Clara County Office of Emergency Services in 2013.
Central County Cities Seat	2013 Jim Davis	The Central County Cities Seat of the OAC represents the cities of Sunnyvale and Santa Clara.
<b>Santa Clara County Integrated Waste Management Division/County Board of Supervisors</b>		

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
Recycling & Waste Reduction Commission of Santa Clara County	2010-2013 Griffith	The Commission serves as the principal advisory body to the city and town councils and the Board of Supervisors of Santa Clara County on countywide solid waste planning issues. It has state-mandated responsibilities such as review and oversight of the Countywide Integrated Waste Management Plan and Siting Element, local Source Reduction and Recycling Elements, Household Hazardous Waste Elements, and Non-disposal Facility Elements.
<b>Santa Clara County Office of Affordable Housing</b>		
Santa Clara County Housing Bond Advisory Committee	2011 Whittum 2010 Hamilton 2009 Howe 2009 Hamilton (Alternate)	This Committee provides advice to the County Board of Supervisors on the Mortgage Credit Certificate Program and the Mortgage Revenue Bond Program, which provide funds for first-time homeowners and for affordable housing. Each member city, as well as the County and industry officials, are represented on the Advisory Committee.
<b>Santa Clara County Office of Emergency Services [Replaced by the Santa Clara County Emergency Operational Area Committee (OAC)]</b>		The OES coordinates organized planning efforts with County departments, local cities and special districts to mitigate against, prepare for, respond to, and recover from disasters. The division is responsible for maintaining the County/Operational Area Emergency Operations Centers in a continual state of readiness. Emergency Services also designs, conducts, and evaluates periodic emergency staff training and simulated disaster preparedness and response exercises. The OES was been replaced in 2013 by the Santa Clara County Emergency Operational Area Committee (OAC).
Santa Clara County Emergency Preparedness Council	2009-2013 Moylan 2012-2013 Martin-Milius (Alternate) 2011 Whittum (Alternate) 2009-2010 Hamilton (Alternate)	The Council organizes and coordinates the emergency activities of the governing bodies and political subdivisions of the County. It is made up of one representative from each city and one representative from the County. Members develop and recommend emergency and mutual aid plans and agreements for adoption by the county and individual cities. Regional coordination is critical for emergency preparedness.
<b>Santa Clara County Office of the County Executive</b>		
Local Agency Formation Commission (LAFCO)	2009 Howe	LAFCO is a state mandated local agency set up to oversee the boundaries of cities and special districts. Key goals of LAFCO include encouraging orderly boundaries, discouraging urban sprawl, and preserving agricultural and open space lands.
<b>Santa Clara Valley Water District (SCVWD)</b>		The SCVWD is the primary water resources agency for Santa Clara County. It acts as the county's water wholesale, and as its flood protection agency, and is the steward for its streams and creeks, underground aquifers, and district-built reservoirs. The water district makes sure there is enough clean, safe water for homes and businesses, and works diligently to protect Santa Clara Valley residents and businesses from the effects of flooding.
Recycled Water Joint Committee	2012-2013 Griffith and Martin-Milius	The City of Sunnyvale and District Elected Officials Recycled Water Joint Committee was established by the Santa Clara Valley Water District Board of Directors on October 9, 2012, according to the information presented in agenda Item 9.1, for the purpose of developing a long-term proposal for how the District and the City of Sunnyvale can work together on recycled water opportunities, to advance common interests, and to establish a collaborative process to facilitate policy discussion and sharing of technical information on recycled water issues.
Lower Peninsula Flood Control and Watershed Advisory Committee	2012-3/2014 Martin-Milius 2009-2011 Moylan	The flood control and watershed advisory committees of the Santa Clara Valley Water District are established to assist the Board of Directors with issues pertaining to flood protection and stream stewardship. Officially disbanded in March 2014.
Guadalupe/West Valley Flood Control & Watershed Advisory Committee	1/2014-3/2014 Hendricks 2008-2013 Whittum	The flood control and watershed advisory committees of the Santa Clara Valley Water District are established to assist the Board of Directors with issues pertaining to flood protection and stream stewardship. Officially disbanded in March 2014.
Water Commission	2012-2013 Martin-Milius 2008-2011 Ron Swegles	The Commission is an advisory panel to the Water District made up of one representative from each city and one representative from the Board of Supervisors. It advises the district on issues such as proposed water rates, district master planning activities, drought planning, legislation impacting the county water supply, and other related water issues.
<b>Silicon Valley Library System Advisory Board</b>		
	2010-2013 Griffith	The duties of each system advisory board shall include, but not be limited to, the following: <ul style="list-style-type: none"> <li>- Assisting the Administrative Council in the development of the System Plan of Service. The Administrative Council is comprised of the Directors of each participating library.</li> <li>- Advising the Administrative Council on the need for services and programs.</li> <li>- Assisting in the evaluation of the services provided by the system.</li> <li>- Keeping the Sunnyvale Board of Library Trustees up-to-date on System Advisory Board activities.</li> </ul>

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
<b>Silicon Valley Regional Interoperability Authority (SVRIA)</b>		SVRIA was formed in 2010 under the Joint Exercise of Powers Act, California Government Code Section 6500 et seq. to provide interoperable communications solutions to its members. SVRIA supersedes the Silicon Valley Regional Interoperability Project, established in 1998 by the Police and Fire Chiefs Associations and the County and City Managers Association. SVRIA exists to identify, coordinate and implement communications interoperability solutions to its member agencies. The purpose of these projects is to seamlessly integrate voice and data communications between law enforcement, the fire and rescue service, emergency medical services and emergency management for routine operations, critical incidents and disaster response and recovery. SVRIA also provides strategic planning support for its members.
	2013 Moylan	
<b>South Bay Salt Pond Restoration Project</b>		
Stakeholders' Forum	2011-2013 Whittum	The Project will result in large-scale restoration of wetlands from the San Mateo Bridge to southern edge of San Francisco Bay. This project provides an opportunity to improve the physical, biological, and chemical health of San Francisco Bay, and provide increased habitat for endangered species.
<b>Sunnyvale Chamber of Commerce</b>		
Board of Directors Liaison	2011 Melinda Hamilton	
<b>US Conference of Mayors (USCM)</b>		The USCM is the official nonpartisan organization of U.S. cities with populations of 30,000 or more. Each city is represented in the Conference by its Mayor. The primary role of the USCM is to promote the development of effective national urban/suburban policy, strengthen federal-city relationships, ensure that federal policy meets urban needs, provide Mayors with leadership and management tools, and create a forum in which Mayors can share ideas and information.
Jobs, Education, and the Workforce Standing Committee	2012-2013 Spitaleri	One of eleven standing committees that discuss, debate, and draft the Conference of Mayors' positions on the pressing issues of the day.
Children, Health and Human Services Standing Committee	2009 Spitaleri	One of eleven standing committees that discuss, debate, and draft the Conference of Mayors' positions on the pressing issues of the day.
International Affairs Standing Committee	2012-2013 Spitaleri 2008-2009 Spitaleri	One of eleven standing committees that discuss, debate, and draft the Conference of Mayors' positions on the pressing issues of the day.
<b>Valley Transportation Authority (VTA)</b>		The VTA is an independent special district responsible for bus and light rail operations, congestion management, specific highway improvement projects, and countywide transportation planning. As such, VTA is both a transit provider and a multi-modal transportation planning organization involved with transit, highways and roadways, bikeways, and pedestrian facilities.
Policy Advisory Committee	2013 Whittum 2012-2013 Davis (Alternate) 2012 Moylan 2010-2011 Griffith 2009 Moylan 2009-2011 Whittum (Alternate)	This Committee is made up of a representative from each city in the county and advises the Transit District Board of Directors on issues such as bus service, light rail, and congestion management.
El Camino Real Rapid Transit Policy Advisory Board	6/2012-2016 Whittum 2011-5/2012 Moylan	
Board of Directors	2014-3/2016 Whittum 2012-2013 Whittum (Alternate) 2010-2012 Moylan 2009 Moylan (Alternate)	The Board consists of 14 members that oversee the activities of, and establish policy for, the Santa Clara Valley Transportation Authority (VTA). Members are selected from city "groups" to allocate seats among the region's cities and the County according to geographic location and population.
Congestion Management and Planning Committee	2011 Moylan	This Committee reviews policy recommendations pertaining to the Congestion Management Program and Countywide Transportation Plan, including the integration of transportation and land-use planning; and the programming of discretionary state and federal funds and air-quality planning.
<b>US Air Force</b>		
Air Force Space Command's Commander's Group	2007-2011 Ron Swegles	The Air Force Space Command's Commander's group was established in an effort to inform communities of programs, events and facts about their nation's Air Force.

## Historical List of Council IGR Assignments (2008 – Present)

Committee Name	Year/Cm. Assigned	Description
<b>US Navy</b>		
Former Naval Air Station (NAS) Moffett Field Restoration Advisory Board (RAB)	<b>2012-2013</b> Davis <b>2010-2011</b> Lee	RABs were created by the President's 7/2/93 five-part program for fast track cleanup at installations designated for closure by the Base Closure and Realignment Commission process. The first RABs were created for BRAC '93 installations. The U.S. Navy has expanded RABs to all naval installations that have a Technical Review Committee for their Installation Restoration program. RABs are a forum for the exchange of information and partnership between citizens, the installation, the U.S. EPA, and the state. RABs provide communities participation in the environmental cleanup process. Navy RABs are currently at eight Northern California locations, including Moffett Field Airfield.
<b>US Department of Defense</b>		
Military Affairs Council (MAC)	<b>2012-2013</b> Spitaleri <b>2007-2011</b> Swegles	The MAC was established at Moffett Federal Complex as an informal group to update the resident agencies, the cities of Sunnyvale and Mountain View, and the Chambers of commerce regarding issues related to the Moffett Complex.
<b>Water Emergency Transportation Authority (WETA)</b>		The WETA was established by legislation (SB 976, 2000) and replaces the Water Transit Authority (WTA). The intention of the enacting legislation is to improve the ability of ferries to respond in an emergency. SB 976 did not include language regarding a Community Advisory Committee. However, the newly appointed WETA Board approved continuance of a Community Advisory Committee and the use of original enabling legislation (SB 428, 1999) as a guide for its creation. Members represent local jurisdictions where a water transit terminal exists or is proposed. Members also represent each special district providing public water transit services.
Community Advisory Committee (CAC)	<b>2008-2013</b> Whittum	The CAC assists and advises the WETA Board in carrying out its functions. Specifically, the CAC is an important link between the Water Emergency Transportation Authority and their respective communities regarding the planning process and recommendations.
<b>MISCELLANEOUS</b>		
Advisory Council to the Council on Aging (COA) Silicon Valley	<b>2008-2011</b> Swegles	Members of this council participate in the development, implementation, and monitoring of the area plan and contract services. They advocate at all levels of government on programs, procedures, and legislation affecting older persons. They are a source of information to senior organizations and the public on issues of concern to older persons, develop legislative platforms with other State advocacy organizations, and sponsor public hearings. They bring the concern of the group or area they represent to the Advisory Council, and take information regarding COA programs and activities back to their appointing body.
Stevens Creek Trail Working Team	<b>2013</b> Martin-Milius <b>2009-2012</b> Moylan	The Stevens Creek Trail Working Team is an outcome of a meeting of policy makers and City staff following the completion of a Stevens Creek Trail feasibility study by the City of Los Altos. Facilitated by Mountain View Councilmembers and staff, the attendees agreed that coordination of trail planning between Mountain View, Sunnyvale, Cupertino and Los Altos can potentially maximize the regional recreational and bicycle commute benefits of the trail. The Team's purpose is to coordinate inter-jurisdictional trail planning. The committee includes representatives from each city along Stevens Creek.
